The Davis County Board of Supervisors met in regular session on Monday, August 8, 2022, with Vice Chairman Ron Bride and Member Matt Greiner present. Chairman Alan Yahnke was absent.

Matt Greiner made motion, seconded by Ron Bride and carried unanimously, to approve and sign the Minutes of Monday, August 1, 2022.

The Board met with custodian Randy Norman, who reported that a new Air Conditioning unit in the Treasurer's office had been ordered to replace the one that is not functioning properly.

The Board met with Engineer Ryan Schock, who reported that repairs to a bridge on Lilac Avenue would result in a portion of that road being closed from August 15th through August 22nd. Courtesy notification phone calls had been made to some of the nearby farmers and an advertisement placed in the newspaper, hoping to lessen the impact of the closure on county residents. He also stated that the crack sawing and sealing project on the Floris road which is past due to begin, is being delayed because the company has not been able to get traffic "flaggers" hired for the project.

Matt Greiner made motion, seconded by Ron Bride and carried unanimously, to approve a corrected revision of the Treasurer's Semi-Annual Report as presented by Davis County Treasurer, Mike Johnson.

All Board members reported on committee meetings attended.
